

BREATHE EASIER

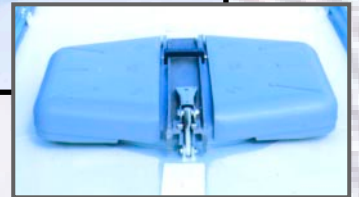

THE PREMIER HATCH FOR CUSTOMERS WHO DESIRE
THE CONVENIENCE OF A VENTED HATCH!

FEATURES

- Heavy duty construction
- Snap in screens
- Positive gasket seal
- SAME gasket and strap as the 20" diameter hatch — Reduces inventory on parts
- Screen and duct areas allow for greater flow which helps protect against Vacuum-Pulls

APPLICATIONS Available For New and Existing Cars

- ARI
- ACF
- Trinity
- National Steel Car
