ARI Mobile Unit/Mini Shop Services are AAR "Class C" Tank Car Certified and "Level E, F and G" registered. We stand committed to providing quality tank car and hopper car repairs with service that is unmatched in the industry.

ARI's mobile units are dispatched from the Houston metropolitan area. Mobile Repair Units are fully equipped to provide on site inspection and repair for quick return to service.

## MOBILE UNITS

ARI Mobile Unit/Mini Shop Services are dedicated to providing the highest quality repairs and services available in the industry. We understand what "out of service time" means to you and your customers. We will work diligently to ensure that your railcar is repaired using quality workmanship in a quick and effective manner. For immediate assistance, please call 281.471.1930

At ARI, worker safety is first priority. Worker safety is everyone's responsibility and we do everything possible to provide a safe working environment. ARI holds weekly safety talks and periodic safety training to remind the workers to think and work safely.
